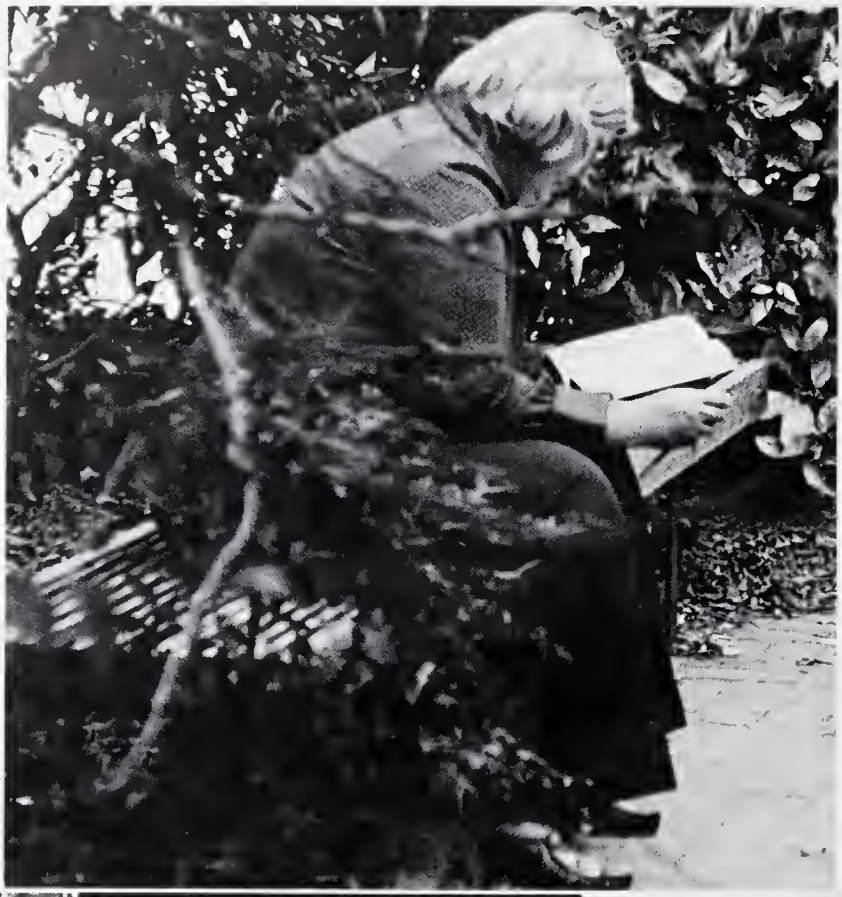
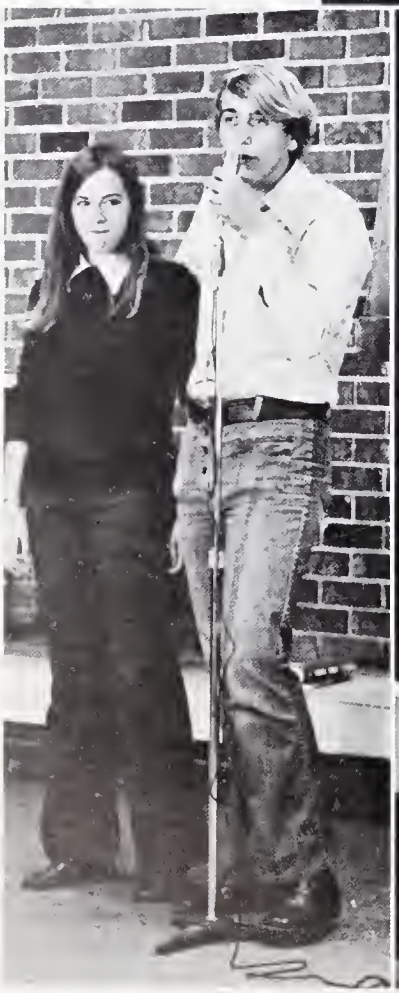
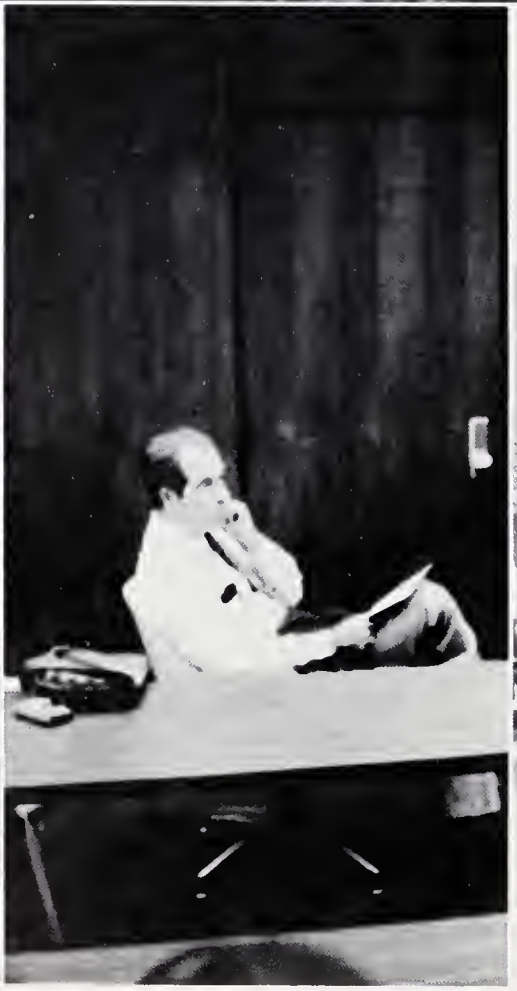
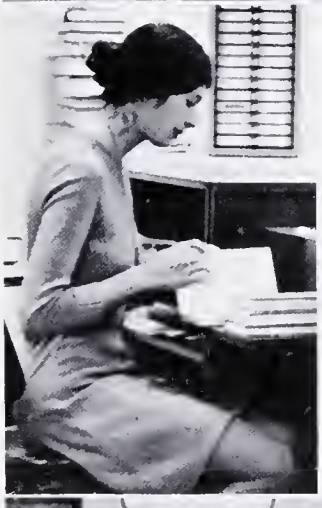
These are my friends.
Know them and you'll
know me.

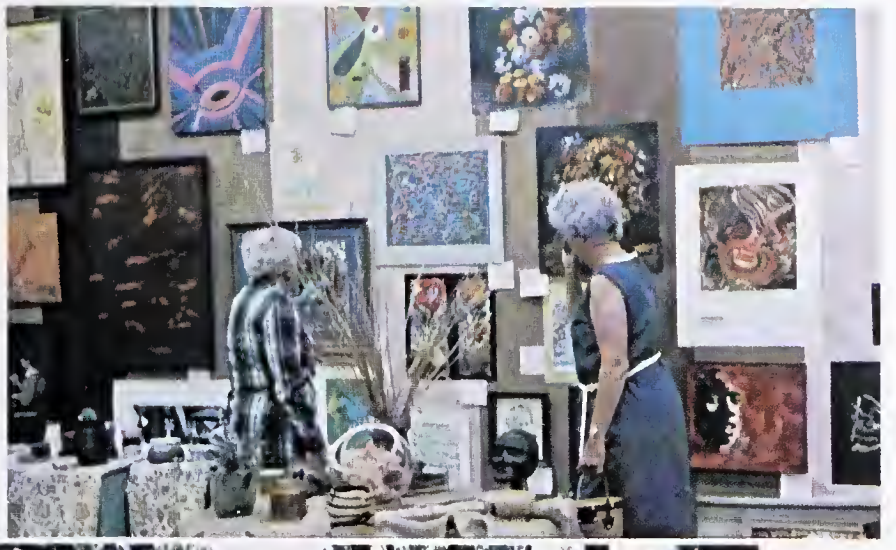




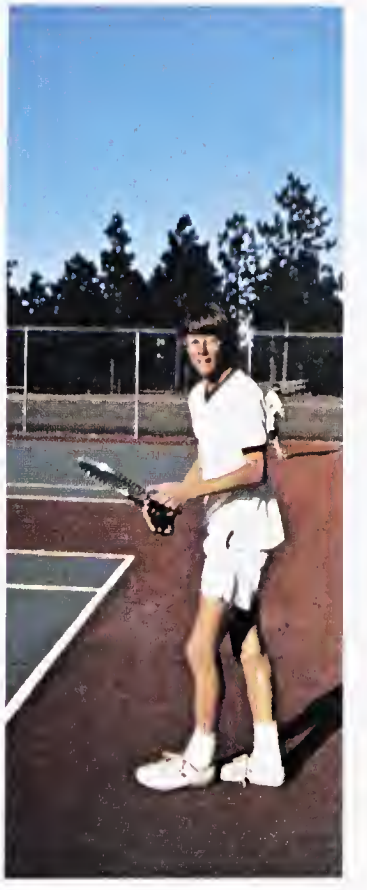




Knowledge was captured in his mind but would not if it could escape to anything else around. Only the glow of his wisdom spread.



SANDHILLS COMMUNITY COLLEGE



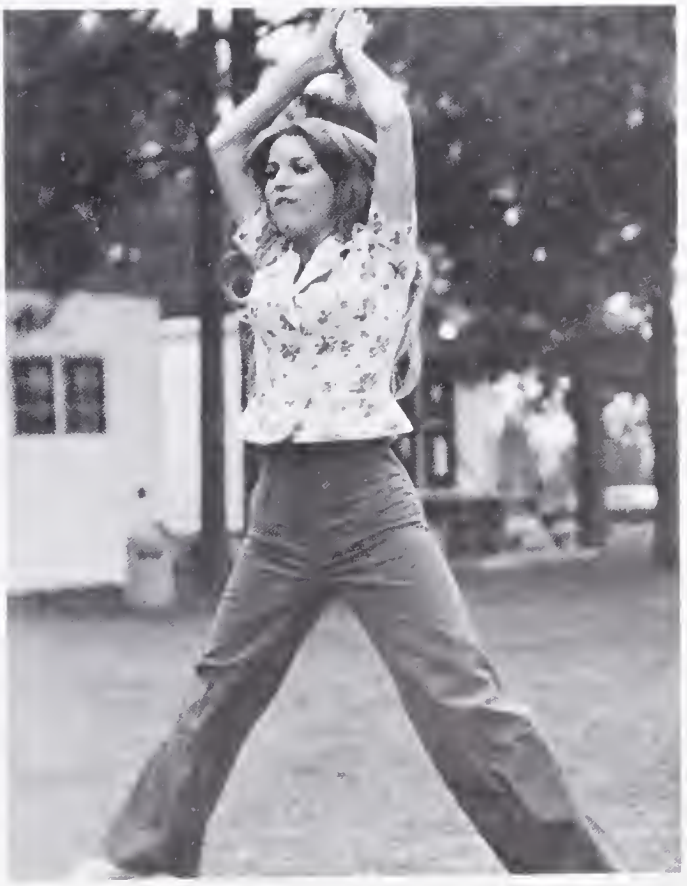
Those that see themselves
here, seeping from between
the lines . . . . . you are
part of me.

Distorted visions
Of people and octians
Wander aimlessly
echoing hallowly
in infinite chambers of mind

I knaw nat whot ta believe
My eyes, ears
My very senses, that I ance depended an
have betrayed me.
I am stoned.

Everyone here will be gone in o few minutes.
Everyone will be busy,
on their own, not worried obout one
onother or other not ot oll like me.

Open your heort
For no one else con.



The
Spring
Of
Life
Is
Nature.
